## Still More "Direct Evidence"

There is almost no limit to the letters we might publish as "Direct Evidence" of the great good derived by suffering humanity from Hood's Sarsaparilla. It is undoubtedly true that many surgical operations have been prevented by taking this medicine to Purify the Blood and Build Up the System, as in the case of Mrs. Schromm:

Kidder Pitched Good Ball for High School in First Trial

Nine representatives of Spaulding high school conducted an open and success-ful warfare against Montpelier seminary at Intercity park yesterday, bringing downfall to the Capital city team in the form of a 11 to 2 conquest. The game was the first school game of the callouses, and bunions, too.

1913 Spaulding schedule and the manforts were successful.

Spaulding presented a strange appearance when the players trotted out onto the field. Kidder, an unknown quantity, handled himself with ease and with the exception of the first inning pitched clev-er ball. Another shift in the make-up was noticeable.
